Alu Style - Gold

Headphone stand made of aluminium

Music lovers can now show off their over-ear or on-ear headphones perfectly with the Alu Style – Gold headphone stand made of aluminium. The exclusive design in a “sand gold” finish provides the perfect surroundings for high-quality headphone models. Bedded on a leather base, material-friendly storage is guaranteed for the respective model, regardless of whether it is a very compact or generously dimensioned headset. The headband and ear pads of the headphones are not subjected to any increased stress, ensuring that maximum wear comfort is maintained over a long period of time. Despite the material-friendly and secure storage, the headphones are always immediately within reach thanks to the exposed position on the Alu Style – Gold headphone stand.
