## HEADPHONE STAND MADE OF ALUMINIUM

### ALU STYLE

The Oehlbach Alu Style offers a material-protecting storage for headphones and puts the own headphone model through its exclusive industrial design in the focus of attention. With the different versions in black „anthracite“, gray „lunar grey“ and noble „sand gold“, you are flexible in terms of color selection and can easily find the right variant for your own headphones. The Headphone Stand's even weight distribution guarantees that neither the headband nor the ear pads exert strong pressure on the device. Thus, the original wearing comfort is completely preserved and the favorite headphones are perfectly displayed.
