

GALVANIC AUDIO SEPARATION FILTER

AUDIO LINEAR 8

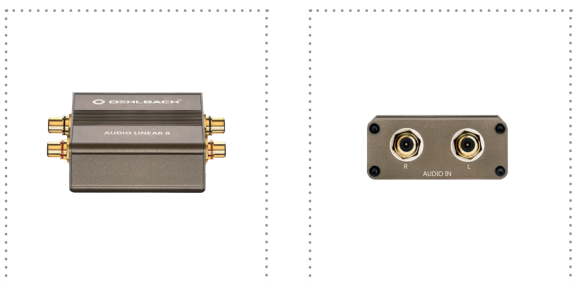

MSRP (19%): 59.99

The Audio Linear 8 galvanic filter effectively eliminates potential interference when connecting all components, such as a record player or subwoofer. Oehlbach has perfected the filter technology through years of experience and technological advance and stands for absolutely loss-free and unprocessed forwarding of the audio signal for optimal reproduction and maximum music enjoyment. The Audio Linear 8 acts as a galvanic isolation filter, reliably and effectively eliminating all sheath currents.
