## HEADPHONE STAND IN EXTASIO UNLIMITED PLUS

The In Extasio headphone stand has been one of the most sought-after Oehlbach products for years. With the In Extasio Unlimited, it has been supported by an XL version for some time now. Oehlbach In Extasio Unlimited Plus is the unique, robust headphone stand for the safe storage of all on- and over-ear headphones now with the plus: painted in one of several high-quality RAL paint colors and handmade in Germany. Lacquered in gold or silver, in fire red, graphite gray or traffic lane. Dimensions: 295 wide x 270 mm high. The In Extasio Unlimited Plus reliably protects your on- or over-ear headphones, makes them an eye-catcher and at the same time protects the ear pads from deformation.
