INDOOR ANTENNA FOR DVB-T2 / DAB+ SCOPE MAX

Interference-free reception guaranteed! The powerful and efficient Scope Max Antenna from Oehlbach enables you to receive FullHD signals in an unrestricted and artifact-free way. The omni-directional reception technology ensures uncomplicated setup and installation. The adjustable amplifier is particularly low-noise and can be deactivated completely if desired. The Oehlbach Scope Max is, of course, designed for DVB-T as well as the new DVB-T2 technology and produces a stable and reliable signal at all times. To rule out all complications, an LTE filter has even been integrated into the unit. The antenna is connected directly to the antenna socket of your DVB-T-compatible TV set or own set-top box and is ready to receive immediately. With its ultra-slim design and stylish carbon look, the Scope Max is available in both black and white.

DVB-T2 HD **DVB-T2**

DVB® and DVB-T2® are trademarks of the DVB project. The DVB-T2® logo used on this packaging is the property of the DVB project. Use of this logo has been approved by Oehlbach Kabel GmbH. DVB-T2 HD is an initiative of ARD, Medienanstalten, Mediengruppe RTL Deutschland, ProSiebenSat.1 Media SE, VPRT and ZDF. We don't use their logo, we just mention the name „DVB-T2 HD“ so customers know that our device is compatible.
