

INDOOR ANTENNA FOR DVB-T2 SCOPE OMEGA

Powerful reception technology for digital terrestrial television DVB-T2 and exceptional design are combined in this Oehlbach Scope Omega indoor antenna in a unique way. With its newly developed reception technology, it ensures outstanding picture or sound quality and at the same time sets a strong optical accent next to any TV or receiver. The Oehlbach Scope Omega is an antenna for everyone who is looking for something special. It offers proven Oehlbach quality with high-quality technology up to the 24 carat gold-plated antenna plug. A 1.8 metre long antenna cable makes it flexible so that you can always find the ideal place for the antenna. The Scope Omega DVB-T2 indoor antenna is available in black or white.
