

INDOOR ANTENNA FOR DVB-T2 SCOPE OVAL

The Oehlbach Scope Oval indoor antenna for digital terrestrial television DVB-T2 dresses newly developed high-performance reception technology in a harmonious soft design. On a 1.8 metre long antenna cable with 24 carat gold-plated antenna plug, you can place this antenna very flexibly around your TV or receiver. A USB power supply unit is included for the power supply. With this antenna you can experience picture and sound and the whole DVB-T2 channel variety with many programs in HD on a whole new level. And in the colours black or white, this compact Oehlbach indoor antenna also fits into the picture optically always and everywhere.
