

INDOOR ANTENNA FOR DVB-T2 / DAB+

SCOPE VISION

The Oehlbach Scope Vision DVB-T2 antenna is designed for optimum reception with an extremely low-noise receiver and is ideally suited to current DVB-T2 HD and DVB-T stations. The power supply is provided conveniently via any USB port on your TV, PC or with the power adapter provided. The possibility to position the antenna horizontally or vertically and the extra-long 1.8 m cable ensure a high level of flexibility. Wall mounting is also possible, of course. 24 carat gold-plated contacts guarantee high contact reliability

DVB® and DVB-T2® are trademarks of the DVB project. The DVB-T2® logo used on this packaging is the property of the DVB project. Use of this logo has been approved by Oehlbach Kabel GmbH. DVB-T2 HD is an initiative of ARD, Medienanstalten, Mediengruppe RTL Deutschland, ProSiebenSat.1 Media SE, VPRT and ZDF. We don't use their logo, we just mention the name „DVB-T2 HD“ so customers know that our device is compatible.
