# USB 2.0 CABLE TYPE A TO TYPE B

## USB A/B

This high-quality high-speed USB 2.0 device cable connects USB 2.0 devices to computers and allows data to be transmitted at rates of around 600 Mbit/s. Thanks to its backwards compatibility, this cable is ideal for all commercially available USB-enabled PCs and Apple computers as well as USB peripherals (USB 1.x to USB 2.0). The cable's high-quality multiple foil-and-braid shielding eliminates electromagnetic and high-frequency interference. Additional notches in the plug and 24-carat gold-plated plug contacts always ensure the perfect transmission of signals through this Oehlbach cable.
