SUBWOOFER CINCH CABLE

XXL® SUB XTREME

A top class, high-end subwoofer cable! The 5-star cable is specifically designed for transmitting low frequencies thanks to the particularly large cross-section of the inner conductor and the coaxial configuration. The inner conductor, which is manufactured from high-purity long crystalline HPOCC copper, ensures a precise and powerful bass response. The silver-plated copper braid dual shielding also reliably eliminates all signal interference. Equipped with the innovative XXL Silicon Evolution RCA plugs this cable always ensures optimum bass performance.

Connector material	High-quality fabric sheathing
Colour	Black
Inner conductor material	HPOCC® – mono-crystalline oxygen-free copper inner conductor
cable geometry	Round
Shielding	Multiple shielding
Shielding construction	2 x copper braids
Features	24kt gold plated contacts , Made in Germany, 30 years warranty
cable material	Solid plastic casing, fabric sheath
