

USB 2.0 CABLE TYPE A TO TYPE MICRO-B

XXL® I-CONNECT UM-B/U

This extra-class i-Connect cable creates the perfect connection between a smart-phone or tablet PC with micro-USB socket and another device with USB-A connection. The fact that only select components are ever used means that this high-end cable in the XXL series always creates the best contact between the connected devices. Due to the 24-carat gold-plated plug contacts, these full-metal high-quality USB plugs deliver very reliable transmissions, protection against corrosion and stable signals even at the critical transitions. The extremely tough fabric sheath underlines the high technological demands that this XXL-i-Connect cable has been designed to satisfy.
