

MOBILE AUDIO ADAPTER WITH VOLUME CONTROL

I-JACK AD 35 VC

3.5 MM JACK / 3.5 MM JACK SOCKET

MSRP (19%): 29.90

This 3-star audio jack cable brings fu'r high ease of use a universal volume control. The flexible ribbon cable in a durable plastic jacket is particularly stable thanks to the integrated nylon thread. The inner conductor made of oxygen-free OFC copper is responsible for stable and high-quality signal transmission. Solid metal connectors with 24 carat gold-plated contacts provide good contact security and corrosion protection.
